

The Memory Lite Classroom

**Presented by Neil Mackay,
Action Dyslexia**

**Virtual presentation via
Zoom**

Date: 01/12/2020

Time: 1:00pm – 4:00pm

Cost: £50 pp (Boost funding
available for BCP Schools)

The Memory Lite classroom

This lively and interactive half day course provides practical strategies and solutions which are underpinned by the science around cognitive load and working memory.

By applying the principles of the memory lite classroom, colleagues can be confident that, when learners struggle, it is because they genuinely cannot do “it”, rather than because they have forgotten what to do next or what went before.
