

## Primary Maths Network

**Date:** Thursday 10th June 2021

**Time:** 1.30pm—3pm

**Venue:** Virtual delivery

**Cost:** Funded by LTSA, no cost to schools

**Led by:** Simon Lennon, Head Teacher, Corpus Christi Catholic Primary School and Claire Morse—University of Winchester

*This network is for Maths subject leaders and anyone with an interest in the subject.*

*In this session we will look at:*

- Follow up by a subject leader on the previous session led by Katie Crozier on Numberlink Boards
- Wave 1,2 and 3 provision and in particular the role of Wave 1 provision in supporting children in committing knowledge to long term memory
- Development of key number facts to long term memory and the pedagogy involved
- Discussion of network content in 2021/22
