

The SHAPE CODING™ system

Led by Dr Susan Ebbels,

Director of Moor House Research and Training Institute, Surrey

Moor House continues to be at the forefront of research into the effectiveness of therapy interventions for school aged students with severe Developmental Language Disorder.

Research studies are led by Dr Susan Ebbels, Director of Moor House Research and Training Institute and Highly Specialised Speech & Language Therapist.

The SHAPE CODING™ system uses a visual coding system to show the rules for how words are put together in sentences, to develop the child's understanding and use of grammar, so that they can communicate more effectively.
