

Dysfluency

(Stammering)

Led by Jenny Beston

Dorset Healthcare Paediatric SaLT Service

During this session, participants will learn:

- What is Dysfluency (stammering)?
- How can we support children and young people who stammer?
- What to do and what to avoid when communicating with young people and children who stammer

Thursday 12th March 2022

9am—12pm

Virtual delivery via Zoom

Cost : £75pp — Boost funding available for BCP Schools

Suitable for any staff working with children and young people with Dysfluency difficulties
