

Primary Maths Network

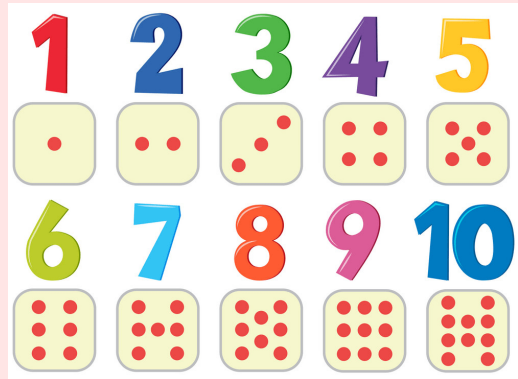

Date: Wednesday 2nd March 2022

Time: 1.30pm—3pm

Venue: Virtual delivery

Cost: £25 per person

Led by: Simon Lennon, Head Teacher, Corpus Christi Catholic Primary School and Claire Morse, Senior Lecturer in Education (Primary Maths) —University of Winchester

This network is for Maths subject leaders and anyone with an interest in the subject.

In this session we will look at:

- View a recording of a lesson(s) in the “Mastering Number’ programme and discuss the latest information on the programme.
- Number sense: ordinality, ordinality around number lines and linear number system.
- Executive Functioning in Maths (led by Louise Gadd, Jurassic Maths Hub).
