

Dyslexia Awareness

A session for Teachers

Led by Nicola Al-Jassar, Aim High Dyslexia

Level 7 Dyslexia Assessor APC and Dyslexia specialist

This session is designed to help develop your knowledge and understanding of Dyslexia. Areas that will be covered during the session:

- What is Dyslexia?
This will aim to give you a broad understanding of what is meant by the term Dyslexia and give you a practical experience of how Dyslexia may feel
- A Dyslexia friendly classroom
This will enable you to acquire ideas for practical teaching strategies and multisensory approach to supporting children in the classroom
- Mental health and Dyslexia
To understand the link between Dyslexia and Mental Health

Date; Thursday 17th November 2022
