

# Autism Education Trust

## Early Years

These two half day workshops will aim to

- Develop participant's knowledge and understanding of good autism practice.
- Reflect on and improve their practice in working with autistic children.
- Understand strategies and approaches they can draw upon for autistic children they work with.
- Reflect on the kind of information they need to collect for the one-page profile, the support plan, and the EYFS profile. Consider how to involve the autistic child and their family in setting learning goals.
